| ● Bleach Cleanable | ● Moisture Barrier | ● Anti-Bacterial |
| ● Stain Resistant | ● PVC-Free | ● PFAS Free |

Description	<p>Sebago is a performance fabric that can remove difficult stains such as ink, mustard, wine and others with only a dry cloth. It uses Zenus technology that applies multiple layers of skin on top of the textile to create a solid surface without sacrificing the look and touch of the fabric.</p> <p>The solid skin prevents moisture, stains and other foreign materials from entering the textile layer.</p> <p>Zenus has eliminated the use of anti-microbials, PFOA/ PFOS, and other harmful chemicals to create an environmentally conscious textile.</p>

Product Code	FAB.SEBAGO
--------------	------------

Roll Size	137cm x 45.7m - Available by the lineal metre
-----------	---

Composition	100% polyurethane with exclusive Graffiti-Free layer and 100% reinforced pollex backing
-------------	---

SEBAGO

Fabrics » Vinyl and Faux Leather Fabrics

Abrasion	200,000 + double rubs Wyzenbeek
----------	---------------------------------

Finishes	Graffiti-Free
----------	---------------

Pattern Repeat Size	N/A
---------------------	-----

Environmental Info	PVC free Phthalate Free DMF Free No added fire retardant Anti-Bacterial Healthier Hospitals compliant Complies with CAL01351
--------------------	--

Fire Rating	Tested in accordance with AS1530.3 Spread of Flame Index - 0 Smoke Developed Index - 5
-------------	--

Warranty	2-year warranty. Visit baresque.com.au/warranty for complete details.
----------	--

Lead Time	<ul style="list-style-type: none">• 2-weeks (approx.) from Wednesday, subject to stock availability.• Additional 1-week for Western Australia.• Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Care Instructions

Use cloth with any of the following in preferred order of use:

1: Clear warm water

2: Mild solution of liquid detergent and warm water

3: Isopropyl Alcohol (a.k.a. rubbing alcohol)

Do not use solvent based or concentrated abrasive cleaning agents, lacquer thinners, nail polish remover or cleaning agents containing bleach as these may cause discolouration over a period of time.

Remove any detergent with a clean, damp cloth. Gently pat dry.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.

Additional Comments

Stain Resistance: Zenus has a permanent graffiti-free skin layer on the textile that allows stains and spills to be wiped away with just a dry cloth.

Durability: The inherent skin extends the lifecycle of the fabric, a key gauge in sustainability. Most of the patterns have been tested for over 200,000 double rubs (Wyzenbeek).

Inherently Anti-Bacterial: Zenus is inherently anti-bacterial (AATCC-100). No biocide or anti-microbial chemical was added for healthy environment.
