**Care Instructions**

Remove dry erase markings with a microfiber cloth.

Press firmly in a circular motion when erasing.

Wash cloth or change erasers as they become dirty as dirty dry erase cleaning cloths and erasers will spread ink residue on the surface.

For daily cleaning, or as required, rinse the surface with water.

Dry the surface with a soft cloth prior to writing.

Always test in an inconspicuous area first.

If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
