## Description

Add sculptural on-trend geo-accents to your ceiling space with Connect Baffles. An innovative solution to large areas requiring improved acoustics, Connect Baffle options are designed with full ceiling coverage in mind and will create a ceiling space with architectural shape, form and definitive character. **Connect Cubix** features a grid of interconnected squares, creating a visually dynamic and orderly design. This pattern brings a sense of structure and balance to interior spaces.

Connect Baffles are also available in 4 other great designs:

**Cirrus** is characterized by a linear, interconnected design, arranged in a flowing, cohesive formation. This pattern adds a sense of movement and unity to interior spaces.

**Hive** showcases a network of interconnected hexagons, offering a visually striking and cohesive design. This pattern introduces a sense of symmetry and harmony to interior spaces.

**Prismatic** features a collection of interconnected triangles, presenting a visually captivating and harmonious design. This pattern introduces a sense of structure and balance to interior spaces.

**Rise** showcases a combination of interconnected geometric shapes, including small rectangles and larger, randomized forms. This captivating design adds visual interest and complexity to interior spaces.

**Care Instructions**                Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
