-

Suggested Installation

Reverse hang alternate drops/overlap and double cut.

Advanced Wall Protection requires a specific installation method and we strongly recommend you use one of our recommended installers.

Download the Installation Instructions for details.

Baresque recommends and supply Roman brand adhesives and primers.

Care Instructions

1. Completion:

Immediately upon completion of installation, installer shall make sure that these products are cleaned and free of any layout marks, excess adhesive or surface blemishes. Remove excess adhesive with methods and materials recommended by the adhesive manufacturer.

2. Clean-Up and Routine Maintenance:

Rigid Profiles: For general cleaning, use disinfectant cleaner.

All Purpose Cleaner Heavy Duty: Use a clean, lint-free cloth and wipe clean. Do not use any abrasive cleaning cloths or sponges.

1. Spray products onto profile and wipe with a dampened cloth.

2. Repeat process if stain remains. If cleaning product residue remains, rinse with water.
