MEANDER

Fabrics » Woven Fabrics

Meander is a 137cm wide woven upholstery with an abstract pattern rooted in nature that's available in 7 colours. Bleach cleanable & stain repellent

- ✓ **Bleach Cleanable**
- ✓ **Environmentally Friendly**
- ✓ **Extended Warranty**
- ✓ **Moisture Repellant**
- ✓ **Outdoor Suitable**
- ✓ **Solution Dyed Yarns**

Description

With its sweeping twists and turns Meander takes you on an ethereal journey. Intricately sketched linework gives way to an abstract pattern rooted in nature. Meander's palette of seven shows us how pure pigments and primary hues can create sophistication and drama. Founded on the belief that fabrics should be both beautiful and functional, Sunbrella textiles are made with close attention to design detail, and engineered with robust performance characteristics that provide resistance to fading and degradation from sunlight and chemical exposure. The fabric is tactile yet durable, has industry-leading environmental characteristics, is easy to care for and offers long life wherever it IS used. Each metre of Sunbrella performance fabric is a product of a global support team committed to producing only the most exceptional performance textiles you can buy. Features + Benefits: * Soil and stain repellent * Bleach cleanable * UV resistant * Solution dyed yarns provide brilliant clear colour

Roll Size 137cm x Approx 55m - Available by the lineal metre

Composition 63% Sunbrella® Acrylic, 37% Sunbrella® Polyester

Abrasion 100,000+ Double Rubs (Wyzenbeek)

Pattern Repeat Size 84.1cm V / 72.1cm H

Environmental Info

Sunbrella fabrics are certified Greenguard Gold.

Greenguard addresses the human health component of sustainability with criteria among the most stringent indoor air quality standards in the world. Upholstery fabric that has achieved GREENGUARD Gold Certification has been shown to contribute to healthy indoor air as a product with low chemical and particle emissions.

The Greenguard Gold Certification standard includes health-based criteria for additional chemicals and also requires lower total VOC emissions levels to help ensure that products are acceptable for use in environments like schools and healthcare facilities.

In addition to limiting emissions of more than 360 VOCs and total chemical emissions, Greenguard Gold Certified products also comply with requirements of the state of California's Department of Public Health (CDPH) "Standard Method for the Test and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers, Version 1.2 (2017)" (also known as California Section 01350).

Office Furniture products that are GREENGUARD Gold Certified are also compliant with the BIFMA X7.1 standard and BIFMA e3 credits 7.6.1, 7.6.2, and 7.6.3.

Fire Rating

Tested in accordance with AS1530.3

Spread of Flame Index - 0

Smoke Developed Index - 5

Warranty

2-year warranty. Visit [baresque.com.au/warranty](https://www.baresque.com.au/warranty) for complete details.

Care Instructions

One of the best ways to keep fabrics looking good is to brush off dirt before it becomes embedded in the fabrics and wipe up spills or clean soon after a stain occurs. The quicker you clean spills and stains, the easier they can be to remove.

Avoid scrubbing or any other abrasive cleaning method. Never use stiff bristles or wire brushes, as they may damage the fabric.

Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water.

Repeat using only clean water, then dry with a lint free cloth or air dry.

Avoid using wax polishes, solvents or concentrated abrasives.

For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first.

If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
