ADORN TRIBU

Wallcoverings » Decorative Wallcoverings

Adorn - Tribu is a 91cm wide decorative wallcovering with a greek key pattern that's available in 2 beautiful colours. Made of natural materials.

Description Tribu is a contemporary collection of woven wallcoverings that honours ancestral weaving traditions from Asia to Africa. Beautifully simple, these serene subtle plains are highlighted by a stunning irregular stripe and strikingly daring prints. Drawing on ancient Japanese techniques, Omexco's paper is dyed or printed, cut into ribbons, twisted into threads and finally woven into refined textures. The Tribu collection exudes sophisticated simplicity. A perfect balance of quiet luxury and understated elegance.

Roll Size 91cm x 9m - Available by the FULL ROLL only

Composition Paper weave on a non-woven backing

Suggested Installation

Non-reverse hang / butt join.

If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number, and then continue to install the other rolls in sequence, in descending order.

Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip.

For printed patterns, plan your match from the roll before cutting

Mark each strip coming from the roll on the back and hang in the same sequence

Reverse alternate lengths when instructed to do so by label on the roll

Care Instructions

Always use a clean, white, soft cloth.

Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing.

For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading.

Remove any detergent with a clean, damp cloth. Gently pat dry.

Always test in an inconspicuous area first.

Additional Comments

Seamless installation. As this design is made of natural materials, some variation in colour within and across batches is an inherent, unavoidable and enjoyable characteristic of the product.
