PLAIN GALA

Plain-Gala is a 100cm wide decorative wallcovering inspired by the atmosphere of an evening at the opera. Available in 13 colourways.

Description	With all its splendour, Gala welcomes us into a magnificent atmosphere worthy of an evening at the opera composed around the leitmotiv of damasks and two timeless plains. Gala opens on an exuberant note with a large baroque damask in deep orange enhanced with gold leaf, continues with a small classic damask, carries us off with a damask design with ottoman accents and ends its journey with a contemporary textured and embossed damask. Sumptuous atmospheres, soft or generous and warm, back and forth between shadows and light, contrasts and baroque accents, gold and silver lustre... Gala seduces us with its shades of glacial chestnut; golden brown, burnt orange; amber yellow, pearl and silver grey; linen; ochre yellow; celadon green; pastel and violet.
