Care Instructions

Always use a clean, white, soft cloth.

Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing.

For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading.

Remove any detergent with a clean, damp cloth. Gently pat dry.

Always test in an inconspicuous area first.

Additional Comments As Sumatra designs are made of natural materials, some variation in colour within and across batches is an inherent, unavoidable, and enjoyable characteristic of the product. When installed, most designs will also show some panelling effect.
