Installation

If your order contains several numbered rolls of one single item/ reference, please first install the roll with the highest number, and then continue to install the other

rolls in sequence,in descending order.

Measure and cut 3 strip lengths. Add 5 to 10 cm to top and bottom of each strip.

For printed patterns, plan your match from the roll before cutting

Mark each strip coming from the roll on the back and hang in the same sequence

Reverse alternate lengths when instructed to do so by label on the roll

#### Care Instructions Remove dry erase markings with a microfiber cloth.

,

Press firmly in a circular motion when erasing.

For daily cleaning, or as required, rinse the surface with water.

Wash cloth or change erasers as they become dirty as dirty dry erase cleaning cloths and erasers will spread ink residue on the surface.

ciotiis and crasers will spread interestade on the sarrace.

Dry the surface with a soft cloth prior to writing.

Always test in an inconspicuous area first.

If care instructions don't deliver the expected results, cease cleaning method

immediately and contact Baresque for assistance.
