ALL ABOUT BIG GEO

Wallcoverings » Commercial Wallcoverings

All About Big Geo is a commercial wallcovering with a softly-structured silhouette that's available in 8 colourways. Bleach cleanable

Description

New patterns, All About Geo and All About Big Geo, are the ideal print partners to All About Linen's crisp, convincing texture.

The return of curved elements in furniture and architecture to today's design toolbox inspired these softly-structured silhouettes. Sized to add "just right" visual impact, All About Geo balances the rigidity of geometric design with the fresh perspective of playfully curved shapes.

The subdued colour combinations of Chickpea and Pale Grey offer a subtle arrangement, while the bold graphic of Black & White or Royal Blue makes the pattern noteworthy.

The grand scale of All About Big Geo emphasizes the meandering organic movement of these amorphic shapes; soft trending colours like warm Calming Cream, Blushing, or glamorous Pitch-Black all make for quite a statement.
