Create a sense of depth and dynamism to flat surfaces without the headache and huge cost associated with structural changes with Zintra Curved Sticks.

- Easy Clean
- Easy Install
- Bleach Cleanable
- Acoustic

Description

Introduce a captivating dimension to flat surfaces with Zintra curved stick, a feat typically challenging and costly to achieve.

When combined Zintra curved sticks, the Aluminium tube and our unique curved installation rib allow you to use a single set of sticks to create a simple curve, or, if you want your project to make waves, combine multiple sets and design a dramatic ceiling or wall swell.

Discover the ideal fit within our range of Zintra Curved sticks, available in both Narrow and Wide options and a variety of finishes tailored to your aesthetic preferences.

Dimensions

- 1158mm (45.6") w x 2743mm (108") h
- Each Stick**
- Narrow 42mm (1.66")
 - Wide 102mm (4")

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
