Description

Perfect for everything from in-store displays, to reception areas and break-out spaces.

The demand for space division products continues to grow after the move to open plan offices. With Zintra Double sided sticks you can easily divide or create spaces with minimal impact to walls or ceilings.

Available in Portrait and Landscape orientations, with narrow or wide sticks there's one suitable for your space.

Quick and easy to install with the added convenience to cut on site (where necessary).

Care Instructions	<p>Vacuum to remove dust.</p> <p>Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.</p> <p>For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.</p> <p>Always test in an inconspicuous area first and if you don't see the expected results, contact us.</p>
Customisable	<p>The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.</p>
Additional Comments	<p>NRC 0.85</p> <p>COLOUR DISCLAIMER:</p> <p>Due to inconsistencies with monitors, and the calibration of your screen, colours may display differently. As they may not be an accurate representation of the true colour we advise requesting a sample.</p>
Inclusions	<ul style="list-style-type: none">• Narrow Aluminium Tube Acrylic Comb 20 x Narrow Sticks• Wide Aluminium Tube Acrylic Comb 10 x Wide Sticks
