Making space design an artform. Create spaces in the round with Double Sided Sticks.

- Solution Dyed Yarns
- Easy Clean
- Acoustic
- Extended Warranty
- Environmentally Friendly
- Absorbs Noise
- Easy Install
- Bleach Cleanable

Description

Perfect for everything from in-store displays, to reception areas and break-out spaces. Use a single set to build a half-height modesty screen, or double down with an additional set to create a full height wall for an almost permanent, almost office.

The demand for space division products continues to grow after the move to open plan offices. With Zintra Double sided sticks you can easily divide or create spaces with minimal impact to walls or ceilings.

Available in Portrait and Landscape orientations, with narrow or wide sticks there's one suitable for your space.

Quick and easy to install with the added convenience to cut on site (where necessary).

Assembly Required

Refer Installation Instructions

How to Specify

1. Select PET Color

2. Select Stick Width - Narrow or Wide

3. Half or Full Bundle

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.
