This collection features exciting, versatile and beautiful colours and patterns that are suited for multiple end-uses in home decor, healthcare, hospitality, marine, and more! These contract-rated, phthalate-free vinyls are coated with our fluorine-free Endurepel Armours making them strong, durable, and easy to clean. To protect The Guardian from sun damage, the collection comes with our ENCOOL technology that keeps its colours up to 10% cooler in direct sunlight compared to traditional PVC fabrics.
