**Care Instructions**

Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then dry with a lint free cloth.

Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first.
