Description When you look up into the night's sky, life seems to come full circle. When you look down at our Orb polyurethane fabric, you'll see much of the same sentiment. The circular patterns that adorn this fabric seek to emulate the vast nature of our expansive and starry sky. With light metallic etchings in the material, a glowing shimmer brings to light the sparkle of stars. No matter where you place this fabric, a sense of time and space will fill the room. Care Instructions

Wipe material with a clean, soft cloth dampened with a mild solution of liquid detergent and warm water. Repeat using only clean water, then dry with a lint free cloth.

Avoid using wax polishes, solvents or concentrated abrasives. For more difficult stains, dampen a soft white cloth with a solution of household bleach (10% bleach / 90% water). Rub gently. Rinse with a water dampened cloth to remove bleach concentration.

Always test in an inconspicuous area first.
