Description

Individually crafted by our designers, the Zintra collection of Premium Material prints faithfully recreates the striking aesthetics of architectural finishes with awe-inspiring realism and superior acoustics.

Shale effortlessly harmonizes in both contemporary and vintage design realms, adding a versatile touch of rugged elegance to any space.

The ½" (12mm) Zintra base color has been perfectly paired to add a sense of depth, bringing crispness and clarity that's second to none.

Lightweight, versatile, and durable, Premium Material adds a world of application possibilities, allowing you to create exceptional, sustainable spaces that look as beautiful as they sound.

Shale is available in Light, Medium, and Dark tones.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Additional Comments

NRC 0.45 - 0.95
