Description

Zintra Etch Tiles, where acoustic absorption meets dynamic 3D design. Crafted using a 3mm v-groove, the angled blade creates contemporary, design-led patterns that add a touch of sophistication to any space. Whether you're aiming for a progressive, modern interior or a welcoming atmosphere, Zintra Etch offers a range of subtle textures to suit your design needs.

Available in an extensive range of understated to statement Colours, Zintra Etch Tiles offer a cost-effective solution to enhance both sound quality and visual appeal in commercial, hospitality, and institutional interiors. Create calming environments with these versatile tiles, which can be seamlessly integrated with plain Zintra panels for a cohesive look.

Install either wall to wall or as feature artwork to create an option suitable for any commercial, education or hospitality environment.

Louver

Each intricate detail is expertly arranged to create a mesmerizing interplay of light and shadow. Designed to be installed either aligned or offset, this redefined and simplistic design becomes a canvas for the symphony of movement that unfolds in your space.

Care Instructions

Vacuum to remove dust.

Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.

For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.

Always test in an inconspicuous area first and if you don't see the expected results, contact us.

Customisable

The Zintra Acoustic Solutions range is customisable to your project. Please get in touch with your local contact for details.
