Baffle Systems Quarter Detail

Baffle Systems Quarter Circle

Acoustics » Acoustic Baffles

Transform your space with Zintra Baffle System, Quarter design. Our high-performing baffles offer flexible and dynamic acoustic control, perfect for enhancing spacious environments

✓ Acoustic✓ Easy Install	✓ Bleach Cleanable	✓ Easy Clean	
Description	A modern solution for acoustic control, Zintra Baffles are a prefabricated, ceiling mounted system. Showcasing Zintra's flexible characteristics and offering superior acoustic control, Zintra Acoustic Baffles are an innovative replacement to traditional mineral fibre lay systems.		
	By exposing the ceiling, Zintra baffles create an open and airy atmosphere while efficiently mitigating noise levels.		
	Quarter		
	A 90 degree fan design, which can be used side by side or put 4 together to make a large circle.		
	Easy to assemble, easy to install and available in a large array of designs, baffles are ideally suited to large noisy spaces in educational institutions, shopping centres, restaurants, and airports.		
	Available in 10 designs

	Assemble your Baffle System then suspend from the ceiling using hanging hardware supplied.	
	Go to the Technical Documents and download the Installation Guide for more details.	
Suggested Installation	Go to Technical Documents and download the Installation Guide for more details.	
Care Instructions	Vacuum to remove dust.	
	Dab Zintra with a damp clean cloth and mild solution of liquid detergent and warm water. Repeat using only clean water, then pat dry with a lint free cloth.	
	For difficult stains, use a solution of household bleach (10% bleach / 90% water). To remove the bleach, repeat using a clean, water dampened cloth, then pat dry.	
	Always test in an inconspicuous area first and if you don't see the expected results, contact us.	
Warranty	Visit FAQ for more details.
