An elegant design made of raw ramie fibres. A typical aspect of Ramie is that it's difficult to dye, so in this design it is the colour of the backing that has the biggest impact on the total colour of the wallcovering.

Description

Omexco's latest collection uses a diverse range of natural materials. In this collection, we aim to emphasize the inherent richness of natural fibres in their purest form.

The interplay of weaves, the rhythm of the stripes, and the meticulously crafted geometric patterns have been carefully curated by our design studio. Their aim is to illuminate the myriad treasures these materials have to offer.

The natural materials of intuition provide a tactile delight, awakening the senses and introducing a fresh dimension to your living spaces. intuition embodies the selection of an aesthetic and sensorially captivating design.

Care Instructions

Always use a clean, white, soft cloth.

Remove liquid stains immediately using a dry cloth. Avoid hard scrubbing.

For tougher stains, dampen the cloth with warm water or a weak dilution of liquid detergent and apply being careful not to soak the material. Always work towards the centre of the stain so as to avoid further spreading.

Remove any detergent with a clean, damp cloth. Gently pat dry.

Always test in an inconspicuous area first.

Additional Comments

All products of this collection are natural products. Differences of colour and aspect between batches and even between strips are unavoidable. We cannot guarantee a perfect colour match between the sample in the pattern book and the delivered goods
