Description

Archer is a versatile woven Crypton fabric available in 23 beautiful colourways, offering both style and performance.

Engineered for durability, it exceeds 100,000 double rubs, making it perfect for high-traffic environments.

Archer is bleach-cleanable and stain-resistant, ensuring easy maintenance and long-lasting appeal. Ideal for commercial settings, it combines practicality with a sophisticated aesthetic.

Roll Size

137cm x 50m - Available by the lineal metre.

Composition

100% Polyester with Crypton Integrated Fluid Barrier

Abrasion

100,000 double rubs

Pattern Repeat Size

Not Applicable

Environmental Info

Greenguard Certifications contributes towards LEED credits for low-emitting furniture and ensures compliance with Business and Institutional Furniture Manufacturers Association (BIFMA) X7.1 standard and BIFMA e3 credit 7.6.1.

Greenguard Gold Certification standard includes:

* Health-based criteria for additional chemicals and requires lower total VOC emissions levels to help ensure that products are acceptable for use in environments like schools and healthcare facilities.

* Products that also comply with requirements of the state of California's Department of Public Health (CDPH) "Standard Method for the Test and Evaluation of Volatile Organic Chemical Emissions from Indoor Sources Using Environmental Chambers, Version 1.2 (2017)" (also known as California Section 01350).

* Products that are compliant with the BIFMA X7.1 standard and BIFMA e3 credits 7.6.1, 7.6.2, and 7.6.3.

Fire Rating Tested in accordance with AS1530.3

 Spread of Flame Index - 0

 Smoke Developed Index - 5

Warranty 2-year warranty. Visit [baresque.com.au/warranty](https://www.baresque.com.au/warranty) for complete details.

Lead Time • 2-weeks (approx.) from Wednesday, subject to stock availability.

 • Additional 1-week for Western Australia.

 • Express delivery is available subject to a surcharge. Contact Baresque for details and pricing.

Care Instructions Mix 5 parts water with 1 part of an enzyme laundry detergent to have a mixture that works well on all stains.

 Most liquid spills simply blot off the surface with a dry towel. If a stains remains, follow these simple steps:

 1. Remove excess soil, and apply the soap mixture on the stained area

 2. Allow solution to remain on stain for 1 minute

 3. Blot up the stain with a dry, clean towel, rinse any remaining soap and blot the area again

 Repeat these steps if a spot still remains. If agitation is necessary, spray the stained area and work the stain using a soft brush or edge of spoon from outside of spot toward the middle. Blot and rinse to remove any soap.
