CARE INSTRUCTIONS

Natural wallcoverings should be handled with care, as they are not stain repellent treated.

Remove liquid stains immediately using a clean, white, soft, dry cloth tapping on the wallcovering lightly. Use a vacuum cleaner to lightly remove any dust that may have collected.

Cleaning with water or detergent is not recommended.

Always test in an inconspicuous area first. If care instructions don't deliver the expected results, cease cleaning method immediately and contact Baresque for assistance.
